

Halloween

Witches Brew with Bloody Hand

1 liter ginger ale or other clear soda
cranberry juice
plastic glove (food preparation glove)

16 ounces orange juice
punch bowl
rubber band or string

1. Combine ginger ale and orange juice concentrate in the punch bowl.
2. For the "bloody hand" pour cranberry juice into the plastic glove. Don't overfill the glove as the liquid will expand when it freezes.
3. Seal tightly with a rubber band or string.
4. Freeze until the juice is solid.
5. Before serving, run hot water over the glove just long enough to unstick it from the frozen juice.
6. Carefully peel or cut the glove off.
7. Set the "bloody hand" in the punch bowl.

Scary Pizza Faces

sliced olives green peppers mushrooms pepperoni green onions
sliced zucchini almonds pizza sauce grated cheese
slightly toasted whole wheat English muffins

1. Toast English muffins.
2. Top with pizza sauce.
3. Students arrange their choice of toppings on the English muffins and top them with grated cheese for "hair."
4. Heat the English muffins to melt the cheese.

MATH: IDENTIFY AND DRAW CONGRUENT SHAPES

1. Place students in pairs.
2. Student A will draw the shape of a sliced mushroom.
3. Student B will draw a congruent shape (same size, same shape).
4. Compare the shapes. are they congruent?
5. Students reverse roles to draw a sliced green pepper.
